SKILLS

- **Java | Python**
- **Canva | Figma**
- **Frontend Technologies**
- **SQL**
- **Leadership | Coordination**

CERTIFICATIONS

- **ORACLE :** Java Oracle
- **InfosysSpringboard :** AI Fundamentals, Java Fundamentals, Machine Learning
- **Google:** Cloud Digital Leader track
- **Cisco :** Intro to Packet Tracer, Network Essentials
- **Skillrack :** C , Java

EDUCATION

B.Tech AI&DS Kamaraj College of Engineering and Technology	**7.1(till 5th sem)** **(2022-2026)**
HSLC SPJ Matriculation Higher Secondary School	**75.5%** **(2021-2022)**
SSLC SPJ Matriculation Higher Secondary School	**72.8%** **(2019-2020)**

PROJECTS

- **Traffic Monitoring & Analysis:**
  Developed a real-time vehicle detection and counting system using Python and computer vision.
  Enabled traffic density estimation and CSV logging for analytical insights.

- **AI Text Summarizer:**
  Built a clean Flask web app that summarizes large text into crisp summaries using NLP.
  Improves reading efficiency with a simple, responsive web interface.

- **Student Management System:**
  Built a full-stack CRUD application to manage student records efficiently.
  Includes features for adding, editing, viewing, and deleting student data with a clean UI.

INTERNSHIPS

- **Web Walk Infosys :** Web Development(Dec 2023).
- **Xplocode:** Java (May 2024).

ACHIEVEMENTS

- **Zonal-level runner-up,** Hockey competition 2024
- **Hindi Diploma Examination,** Central Hindi Directorate 2024
- **College-level runner-up,** Smart India Hackathon 2024
- **MSME** proposal selected at the college level
